Amie Leadingham : A Woman's Handbook to Online Dating: Secrets to Successfully Find Love Online before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Woman's Handbook to Online Dating: Secrets to Successfully Find Love Online:

There's no question, online dating is taking the world by storm. Over the past twenty years, we have seen an explosion in meeting people via the internet and dating apps. Today, approximately one in four couples met their partners with online dating, and that number is sure to grow. Online dating offers some significant advantages to female daters that more traditional meeting venues do not. It is easy to use and gives you access to millions of people with one click of a mouse. That's why I wrote this online dating handbook. To help women like you not only navigate this brave new digital dating world, but also experience dating success and find love online. If you're entering the online dating world for the first time, this book will give you the dating skills and tools you need to make your new journey an enjoyable one. Even if you've tried online dating before with little or no success, then you'll learn how to re-enter the cyber-dating world with a newfound sense of confidence and purpose. Here's what you'll learn inside: Master Your Mindset for Online Dating Success Write a Killer Online Dating Profile Pick Which Photos Matters Most Weed Out the Liars Do's and Don'ts of How to Date Online Make a Digital Connection and Find Love Online How to Successfully Go from Online to Offline Learn to Spot a Good Partner Figuring Out the Best Online Dating Sites Safety Tips While Online Dating I'm Amie Leadingham, a Master Certified Relationship Coach. I may be a specialist in dating and relationships today, but years ago, I once was a struggling dater just like you. I made many mistakes in both the online and traditional dating worlds, but then I decided to learn everything I could about online dating. I made some needed changes, and found online dating success. That's right, I met my wonderful husband online, and my hope is for you to meet your special person online too!
